**G** **Gmaj7**  
Broken from the start

My heart just shattered in the light of perfect love  
**G** **Gmaj7**  
That a fool as I  
**Am** **D**  
Could find forgiveness in Your arms exalts You more  
**C** **D** **G** **G/F#** **G/E** **G/D**  
All my hopes my fears my God You know You  
**C** **D** **G** **G/F#** **G/E** **G/D**  
Capture every tear You have captured all of me
