

If You're Not With Me

G **G/F#** **G/E** **C**

Verse 1:

Come in a cloud
Stand at the door
My King
Come exactly as You are
Just come

Love when You speak to me face to face
Love how You make this a holy place
I love Your presence

Chorus:

If You're not with me 3X
I don't wanna go

Verse 2:

Where else could I go
Where else could I be
You have the words that give me life
I need you

I just wanna know You and know Your ways
I want You to know me and call my name
Oh to behold You and be one with You in Your presence

Bridge:

Lord come and show me
Your glory
It's Your goodness over me
It's Your goodness over me
I taste I see
I drink I breathe
Your goodness over me
It's Your goodness over me
